

International shipping is expensive. There is no “mark-up” on shipping, meaning the customer is only charged what Go Guarded pays the Post Office.

There are two choices for shipping-

- 1) Shipping WITH Insurance
- 2) Shipping WITHOUT insurance

The cost of shipping is as follows:

COUNTRY/REGION	WITH INSURANCE	WITHOUT INSURANCE
	Price good for shipping up to 10 units	Price good for shipping up to 8 units
Australia	\$34.95	\$13.75
Canada	\$24.95	\$9.50
Europe	\$33.95	\$13.50
Mexico	\$30.95	\$11.75
South Africa	\$33.95	\$13.25
South America	\$30.95	\$13.50

Please ask about shipping if you do not see your location listed. Email Jodi@GoGuarded.com

If shipping WITHOUT insurance is selected, Go Guarded is unable to refund money or send replacement units if a package is lost, stolen, or damaged. There is no tracking on uninsured packages.

Please be aware of any import taxes or fees your country may charge you. The value of Go Guarded is often under the threshold amount Postal/Customs agencies charge, but this varies county to country. If there are import charges, the customer will be responsible to pay them.

If you would like to order, please send an email to Jodi@GoGuarded.com and indicate:

- the number of units you would like to order
- the color (blue or magenta) - black will be an option in the near future
- whether you prefer to ship with or without insurance
- your name, shipping address and phone number

You will then be sent an invoice which you can pay online. Once paid, your order will ship and you will receive a verification email.

Thank you for your interest in Go Guarded!
